

ACT: Plan IVY

FIELD STATION: Rome

TARGET AREA: Italy

DATE ACTIVATED: January 1945

DATE TERMINATED: June 1945

PURPOSE OF OPERATION: Plan IVY was based on the premise that the German I.S. intended an intensive sabotage program of Italian industry in the North. Plan IVY was designed to prevent this by setting up a net of counter-espionage cells with the cooperation of SAIL (Italian Navy IS) and various CNL organs in Milan.

PRINCIPAL AGENT: DELILAH/25

PROGRESS OF OPERATION: DELILAH/25 succeeded in crossing the lines, infiltrating the area and establishing contacts with the targets given him.

TERMINATION OF OPERATION: Terminated due to end of war

EVALUATION: Limited success: however IVY was useful in establishing good relations with SAIL and did much good CE material was collected.
